

Business Partner Sponsorship

The National Senior Women's Tennis Association invites you to become a business partner to assist in raising the standards of competitive senior tennis and opportunities for women in the US and beyond. Research shows that women's quality of life can continue well into her 90's with proper exercise and diet, positively impacting the vitality of their families and communities. NSWTA is the largest advocacy group in America for women tennis players from ages 30-90+.

To ensure the NSWTA's continued success, we reach out to you to help us increase awareness and interest in women's competitive tennis. By partnering with us, you will be investing in the long-term future health of our players and communities while receiving the benefits of women's patronage of your products. Below you will see the cost of annual sponsorship and the levels of support that we offer. We offer you the opportunity to promote your business and products at many of our national tournaments throughout the year at various locations.

For more information contact NSWTA co-Presidents Leslie Airola-Murveit leslie-1@murveit.com or Andrea Barnes at abarnes2@me.com
